

Nepal's **Largest** and most **Successful Exhibition** on  
**Architecture, Building, Construction, Design and Engineering**

10,11,12 Feb, 2017 | Bhrikuti Mandap, Kathmandu

**3<sup>rd</sup> NEPAL BUILDCON**  
INTERNATIONAL EXPO 2017

# ABOUT 3<sup>RD</sup> NEPAL BUILDCON INTERNATIONAL EXPO

The exhibition was first conceptualized and organized in Kathmandu in 2015 to bring all the architects, designers, developers, engineers, contracting companies, material suppliers and technology providers under one roof for displaying and sourcing products and the journey continues year after year.

Nepal buildcon 2017 is solely dedicated to the fast growing and the very popular construction industry. The construction industry is amongst one of the fastest

growing sectors in Nepal and comes with a promising future. As the national economy grows the social and financial demand for infrastructural update also increases.

Over the last two years, Nepal Buildcon International Expo has lived up to the promises to bring new innovations in the construction industry to the forefront and support market leaders and promising brands by giving them a platform to showcase their products before the bigwigs of the industry in a unique international display of competence.

## WHY EXHIBIT

**Nepal Buildcon 2017 will provide your business with a distinctive platform enabling you to**

Increase marketing awareness in one of the fastest expanding construction markets in the regions.

Raise your profile in front of budgets holders from some of the largest construction projects in Nepal.

Showcase and demonstrate your products or service to a market that is actively sourcing new and innovative products previously unavailable to them.

Generate leads by networking with Architects, Project Managers, Construction Consultants and Procurement Managers.
